Inside PIC: A decade of discipline

By Perpetual Asset Management
17 February 2026

In this conversation Sean Roger, who co-manages the Perpetual Equity Investment Company (ASX:PIC), shares how Perpetual's long-term investment strategy has been proven over market multiple cycles and decades.

Sean firmly believes fundamentals are important over the long term and the price paid for that growth is important.

PIC has been listed for over 10 years and was originally set up to provide investors with a tax efficient and growing dividend stream over time.

The strategy has a clear focus on quality and value, strong balance sheets and good management.

Find out more about the benefits of PIC and how it can help in retirement planning.
